

# Make Q4 Matter

The final three months of the year are upon us, which means it's time for one final push toward your 2022 goals, and maybe increase your commission check while you're at it with these Bonus Boosts.

## Double MY PC BONUS

Earn your first MyPC Bonus of 2022 in October, November, or December and receive double the bonus—bringing your total bonus to \$140!\*

## Double SELLING BONUS

If you haven't earned a Selling Bonus in 2022, you can earn a Bronze or Silver bonus in October, November, or December to receive double the bonus!\*\* This means that earning a Bronze bonus will boost your payout from 5% to 10%, and earning a Silver bonus will give you a boost from 7% to 14%!

## Beat 3-MONTH AVERAGE PV

**Already earned both of these bonuses this year?  
Don't worry, we have a Bonus Boost for you, too!**

Beat your 3-month rolling average PV and we will pay an additional 10% on the difference.+

## Help Your Customers Defend Their Health

You and your customers can save money and protect your health by simply adding Defend to your order!

**Through the end of the year, all orders that include Defend will receive free standard shipping!++**
